WHITE PLUE COMPOUND,

DR. J. W. POLAND & CO.,

GOFFSTOWN CENTRE, N. U.

THE following testimonials will tell something about I a Medicine that is now becoming popular faster than any other article sold by druggists:

Rev. J. K. Chase, or Rumney, N. H., under date of April 4th, 1860 says:—'When your favor, (two bottles of White Pine Compound.) was received. I was suffering from a most severe cold. I took the Compound and was able to preach in two days. * I believe the Compound is an invaluable medicine. I do wish thousands who know nothing of its virtues, would be come better acquainted with it."

Rev. L. C. Stevens, Pastor of the Bapt.st Church at Goffstown Centra in a letter dated Fed. 1260, says:—"Some of my smily have tried it, (the Compound,) with signal success. I believe it to be one of the best Cough Remedies ever prepared. Besides its value as a Cough medicine, I have good reason to believe it to be all it claims to be for Kidney Diseases and Diabetes."

Mr. Asa Goodhue, of Bow, N. H., was so prost, aced by Diseases, in March, 1859, that neither himself nor any who saw him thought that he could possibly live through the month. As a last resort, he thought he would try the White Pine Compound. They precured a lottle for him; he began to take it and to the surprise of all, im mediately showed signs of amendment. Eleven month afterwards. undreds of cases of Kidney complaints, CURED EXTRELY by taking the White Pine Compound, have been reported by druggists. Here are two samples:

An aged man in Danvers, Mass., heard of the Compound, as a wonderful curative for kidney complaints Being a great sufferer from that difficulty, he sent to the Apothecary for two bottles. They cureD him. He said they were worth fifty dollars. He has since sold a good many bottlesh uself.

Apothecary for two bo'tles. They cured him. He said they were worth fifty dollars. He has since sold a good many bottles himself.

The second case was that of a business man, in Salem. Mass. He was also cured of the same complaint. Afterwards he went to Minnesota. The great fall, use of his journey brought on a return of his fermer difficulty, and seeking in vain in Minnesota for the Compound, he was compelled to send all the way to Salem to have it forwarded by express.

"July, 1890. Dr. Poland:—Mr. J. C. Batterfield, Jr., who sells your Medicine, has requested me to give a brief statement of what your White Pile Compound has done for me. I had been afflicted with the Kidney Complaint for a long time, and had a bad Cough of tenyear's standing, which caused me to spit blood quite frequently. No one of my acquaintances experted that I should ever get my health again. But no bettles of your White Pine Compound have cured no of both the Cough and the kidney Complaint.

I would also state, that a lady, a neighbor of ours, was so badly afflicted with a cough, that she sat un only long enough to have her bed made, and we all thought she was going in a quick consumption. She to knowly one bottle of your Compound, and it cured her. She is just as well now as she ever was. STEPHEN DART-LETT,

"Da. Poland:—I wish to bear my testimony to the value of your White Pine Compound. You will remember how feeble I was at the time I called upon you, in July last. My chief complaint was inflammation of the kidneys. In addition to other disagreeable symptons. I suffered dreadfully from severe pain. You sold me a bottle of the White Pine Compound, and before I had taken two thirds of the contents of that one bottle, my paid had left me. Though I had been afflicted with that complaint a long time, I have not had a return of it since, and have for many months past enjoyed excellent health. Yours trely, S. F. AIKEN.
